

# 4-BLADE PROPELLERS

Free Air

**Applications: Circulators, Pedestal & Window Fans**

For performance information please refer to Appendix A

- **Designed for free air, low pressure applications**
- **High quality, rounded aluminum blades for maximum free air delivery with minimum noise levels**
- **Pitches available for most common HP and motor speeds**
- **Interchangeable hubs attach on either the intake or discharge side**

## FREE AIR PROPELLERS

Diameter (inches)	Part Number	Rotation	Pitch	Hub Location	Quantity Pack
10"	60269301	CW	23°	Interchangeable	2
10"	60269401	CCW	23°	Interchangeable	2
12"	60262201	CW	23°	Interchangeable	2
12"	60262301	CCW	23°	Interchangeable	2
14"	60262801	CW	27°	Interchangeable	2
14"	60262901	CCW	27°	Interchangeable	2
18"	60555301	CW	23°	Interchangeable	2
